

6 HOURS OF SILVERSTONE

August 26th 2012

From The Stewards of the Meeting
To The Competitor - N°50 - LARBRE COMPETITION

Decision N° 18

The Stewards received the report of the FIA Technical Delegate mentioning that the date of service due of fire extinguisher of this car was expired.

After hearing the representative of the competitor, it appears that the fire extinguisher originally checked by the scrutineers at the beginning of the meeting has been changed by a mechanic of the team and replaced by another expired unit, therefore this car was not complying with the safety rules during the post race scrutineering .

Penalty: exclusion of the race

The Competitor is reminded of their right of Appeal under and in compliance with Art. 88 of the FIA WEC Sporting Regulations, and Chapter XIII of the International Sporting Code, and Art. 17 of the Judicial and Disciplinary Rules of the FIA.
